Log into WebSTAC:  https://acadinfo.wustl.edu/WSHome/Default.aspx

Once in WebSTAC, toggle to the "Courses & Registration" drop down

Click on Course Listings: The system defaults to the next upcoming enrollment semester. Use the dropdown and choose your correct start semester. Click "Engineering Continuing Studies," and then "PROGRAM":

Go back to your Registration Worksheet (different tab) and you should see the course populated:
Then on **[REGISTRATION DATE]**, you will see a button that says "Add Course" populate on your Registration Worksheet. For each course you intend to register for, be sure to click "Add Course".
